Dear Friends.

November 2021

Greetings in the Name of our Lord Jesus Christ.

Thank you for your prayers and financial support throughout the year. We are aware that it has been a challenging year for many ministries . But we are grateful for churches like you and thank the Lord in our prayers for you and your faithfulness in supporting us and the ministry in Paarl.

God is growing His work in Paarl. In October we started Sunday meetings again in the Van Rooyen home. Most of our families returned except for one lady with her family. Our first Sunday was low key as we felt our way having come out of a third wave of Covid. The Jacksons, who started attending earlier in the year brought a their friend Aunty Anne to our service and we are glad to report that she has been back attending Sunday morning services.

Beginning of November we had child dedication service. We had two families visiting. We could visit both these families at home and shared the gospel with them. Daleen Du Plesis accepted Christ as Lord and Savior and her son Mason and his friend Sage accepted Christ in Sunday school. We will appreciate your prayers for Daleen & Mason as they face many challenges. Pray that the Lord will use these challenges to grow her in her faith and trust in Him.

Pray for the growth and obedience of the newly saved to follow Christ in baptism. We have challenged those newly saved to be baptized and to be witnesses for Christ in their community. We are grateful for the privilege that God has given us to minister in Paarl. Please continue to pray for us and the believers in Paarl as well as for the lost to be saved. Trust you all will have blessed Christmas holiday with family & friends.

With much appreciation & for His glory.

Miles & Shirley Schilder.
